Re: Environmental Assessment for the  
Perris Valley Line Project

  
Dear Ms. Mayer:

Based on our review of the Environmental Assessment, dated February 2012, we have issued a Finding of No Significant Impact (FONSI) for the Perris Valley Line Project. A copy of the FONSI is enclosed.

Copies of the FONSI and supporting documentation should be made available to affected units of government and to the public. Notice of this availability should be published in local newspapers and provided directly by you to affected units of Federal, State and Local governments as well as to the State intergovernmental review contact established under Executive Order 12372.

Please note that if a grant is approved for this project, the standard terms and conditions of the grant contract will require the Riverside County Transportation Commission to undertake the mitigation actions identified in the Environmental Assessment.

Thank you for your cooperation in meeting the requirements of the National Environmental Policy Act. If you have any questions, please contact Mr. Hymie Luden, City and Regional Planner, at (415) 744-2732.

Sincerely,

  
Leslie T. Rogers  
Regional Administrator
